

HOLYHEAD – LOCAL NOTICE TO MARINERS 13/2024

Harbour Maintenance Works

Issued 15th August, 2024
Expires 30th November, 2024

Harbour maintenance activities utilising a heavy lift floating crane will take place during September and October, 2024.

Two packages of work are planned in this period and provisionally scheduled for Tuesday 17th September until Tuesday 24th September and then Monday 21st October until Monday 28th October.

The work scope includes:

- Repairs to the fenders on the ferry terminal
- Removal of steel work from Terminal 4, and
- The lifting of specific wrecks in the New Harbour (the ones marked by an Isolated Danger mark)

The crane barge 'Lara 1' and supporting work boats will be Restricted in Their Ability to Manoeuvre whilst undertaking works and mariners are requested to give work sites a wide berth when activities are underway.
