

## HOLYHEAD – LOCAL NOTICE TO MARINERS 12/2024

### Holyhead Annual Hydrographic Survey

Issued 6<sup>th</sup> August, 2024  
Expires 31<sup>st</sup> August, 2024

The annual survey of harbour depths will be undertaken between Monday 12<sup>th</sup> August and Friday 16<sup>th</sup> August, 2024.

This will involve two survey vessels crisscrossing the whole of the harbour area – New Harbour, Inner Harbour and Outer Harbour. They will also be surveying berth depths.

The survey vessels may be encountered in any part of the Harbour from dawn to dusk and require a wide berth as they are Restricted in Their Ability to Maneuver when surveying.

The survey vessels ‘*Echo*’ and ‘*Gemini*’ will maintain a listening watch on Ch16/14.

In event of adverse weather the period of survey may be extended. This will be advised by Port Control.

Results of the survey will be posted on the port website and sent to various stakeholders.
